

OZ FLIGHT SIM EXPO 2020

Exhibitor Information

Wings Over Illawarra is the largest annual airshow in Australia and a premier event on the Aviation enthusiast's calendar, in 2020 attendance is expected to be in excess of 30,000 visitors.

In 2020, Wings Over Illawarra will become the new home of the “Oz Flight Sim Expo”, offering a fantastic opportunity for businesses to showcase their products and services to a wide audience. The event is held at the picturesque Shellharbour Airport (formerly Wollongong / Illawarra Regional Airport), approximately 20 kilometres south of Wollongong, NSW and just 80 kilometres south of Sydney. Being located on Sydney's doorstep and within easy reach of Canberra, it will provide a magnificent opportunity for the Flight Sim industry in Australia to showcase the latest technology to thousands of attendees and network within this dynamic and growing industry.

Visitors to the event will be able to get invaluable input from experts on new developments and innovations in the Simulator industry. Exhibitors will include suppliers, buyers, Not for Profit groups, software and hardware providers, media and pilots. It will be the perfect occasion to create new business relationships with well-established companies.

In addition to showcasing products and services, Wings Over Illawarra will provide visitors the opportunity to try out a sim for themselves, with the addition of the defence force helicopter and jet sims, and some privately owned sims as well. This will allow businesses with the opportunity to showcase the capabilities of their software and hardware.

The event will provide opportunities for industry knowledge-sharing, networking and business.

Wings Over Illawarra 2020 will be held over 3 days, beginning with a STEM day on Friday 1st May followed by the main event Saturday 2nd and Sunday 3rd May 2020.

The organisers of Wings Over Illawarra are committed to making this event a major success for all parties and will ensure it becomes an anticipated event on the Australian Simulator community's calendar.

INVEST IN YOUR BUSINESS!

Why Exhibit?

Exhibitions are proven to be one of the most efficient, effective and successful marketing activities available to businesses today for establishing and maintaining customer relations. In an increasingly digital age, they are one of the few remaining mediums where buyer, seller and product physically come together, and buyers can see, touch and try your product for themselves. The old-time values and power of face to face contact with your customers is often overlooked, visitors can question, challenge and debate, and exhibitors can give and seek information. Most importantly, business is conducted face to face - the most persuasive form of selling, and of building customer relationships.

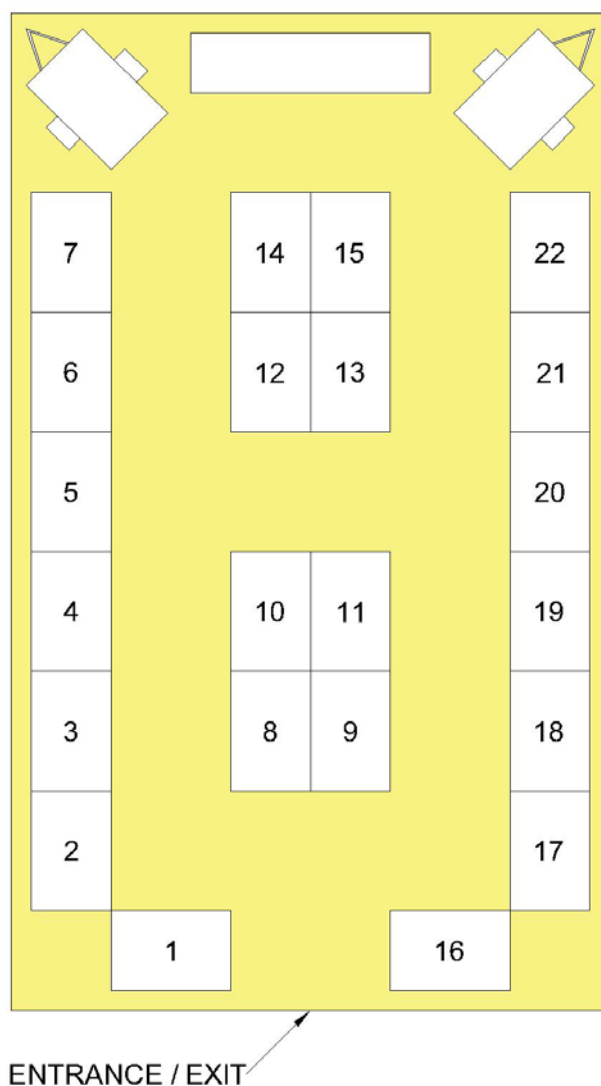

Wings Over Illawarra will provide businesses with opportunities to:

- *Generate sales leads from qualified buyers.*
- *Strengthen and build your brand profile.*

- Ideal platform to launch new products and receive immediate feedback.
- Carry out market research with immediate results.
- Broaden customer database with an anticipated attendance of over 30,000
- Maintain customer relations and give existing customers the opportunity to view a wide selection of your products at one time.
- Conduct business face to face whilst customers examine your products.

In 2020 the "Oz Flight Sim Expo" exhibitor sites will consist of 3m x 2m shell scheme exhibitor display units housed in a 26m x 16m marquee located in a prominent, high traffic position within the Wings Over Illawarra Airshow.
